

Second Annual

VIRGINIA STATEWIDE HEART FAILURE SYMPOSIUM

Saturday, October 18, 2025

8AM - 5PM

Richmond, Virginia

Program Overview

The Commonwealth of Virginia is host to four outstanding heart transplant programs for those in need of surgical treatment for advanced heart failure. However, before they even get to the point of transplantation, their heart condition takes them on a medical journey.

Inova, Sentara, University of Virginia, Virginia Commonwealth University, and other local specialists have joined together for the ***Second Annual Virginia Statewide Heart Failure Symposium*** to bring you the latest information and data on heart failure. Hear from providers on the latest management and treatments:

- Left Heart Failure
- Right Heart Failure
- Pulmonary Hypertension
- Goal Directed Medical Therapy
- Various Cardiomyopathies
- Adult Congenital Heart Failure
- Cardiogenic Shock
- Mechanical Heart Devices
- Transplantation
