April 25
“Multidisciplinary Approach to Hepatocellular Carcinoma (HCC)”
David Lee, MD, Assistant Professor of Surgery, VCU School of Medicine, Richmond, VA
At the conclusion of this activity, participants should be able to:
1) Describe the multimodal therapies available for HCC.
2) Identify the indications for liver transplantation in HCC.
3) Explain the outcomes for HCC with today’s current approach.

University Health Services Professional Education Programs (UHS-PEP) of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.

Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.

UHS-PEP designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran’s status, political affiliation or disability. If special accommodations need to be made, please contact the Department of Surgery at 804-828-7874.
